Brainstorming Activity Sheet

The purpose of a paper is to answer a central question. *What is your question?* Write it below:

Now take some time to freewriting or list ideas; don’t think too much, just write (and let your brain’s storm rage):
The Five W's

Try to think through your topic and answer each of the five W questions below. Again, don’t think too hard about this, just write out your thoughts:

Who?

What?

Where?

When?

Why?
